Your Path to becoming a Consultant

[<----- Back](#)

Schedule a 1-on-1 Meeting with the Pre-Health Advisor

- Lay out a rough 4-year plan, confirm you're on track with pre-med requirements, and learn how your school supports pre-meds.
- Reach out to your pre-health advisor via email. Can find there contact information [here](#).
- Tip: Come prepared with a list of questions about shadowing, research, and volunteer opportunities.

Do you need any extra help?
